3.2.2: Number of workshops/seminars/conference including programs conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship (Session: 2018-19)

Special lecture on

“Entrepreneurship in the Chemical Industry”

Event organized by: Department of Chemistry

Date of the event: 15.02.2021

Venue: Hazaley Auditorium

Time: 11:00 AM

Resource person Details:

Prof. Rakesh Bhatnagar
Ph.D. (Kanpur), FNASc, FNA.
EX. Vice Chancellor,
BHU, Varanasi, UP.

Prof. Rakesh Bhatnagar is an Indian educationist, scientist par excellence, institution builder (JNU), vaccine developer, and renowned academic leader of the country. He has worked as BHU vice chancellor and is presently DIRECTOR OF BIOTECHNOLOGY (JNU). Prof. Bhatnagar has very kindly accepted our request to deliver a lecture at the college auditorium at 11:00 am. He told the students about the wide scope of chemistry “**Entrepreneurship in the Chemical Industry**” in every sphere of human life. He said that Chemistry affects nearly everything we see and every action we take i.e. the medicines we take, the food we eat, and the clothes we wear. Prof. told the students about the six main areas of chemistry, i.e. analytical chemistry, biochemistry, chemical engineering, organic, Inorganic and physical chemistry also about the scope of these areas. Students can choose the field according to their interests and can perform excellently.

Prof. Bhatnagar said that he was a student of our college and studied with meager facilities of light, transportation and without internet. But if you focus on your goal, and

learn the subject deeply through hard work, and patience, you can be a scientist, professor, consultant, industrialist, and much more.

Prof. also shared his own experiences and how he reached the heights and answered all the questions asked by the students. He also guided the students for various opportunities in various fields of chemistry and preparation to grab them. The session remained very informative, impressive and full of encouragement to the students. So it was a great opportunity for the students to interact with and impart knowledge from such a renowned scientist.

We are proud of that Prof. Bhatnagar is alumnus of PPN COLLEGE

Special lecture on
“Entrepreneurship in the Chemical Industry”

Organized by
Department of Chemistry
 Date: 15.02.2021

Speaker:

PROF. RAKESH BHATNAGAR
 Ex.VC BHU, Varanasi

Coordinator:
 Dr. Nidhi Srivastava
 Dept of Chemistry
 PPN College, Kanpur

Department of Chemistry organised a Special Lecture on “Entrepreneurship in the Chemical Industry” on 15.02.2021
