

Dear students,

Greetings for the day!

Counselling & Placement Cell, PPN College, Kanpur in association with Global University System conducting online "Assessment Test"

Kindly find the below details of Assessment Test for your further registration process:

What is Assessment Test?

Assessment Tests measure the abilities, skills and talents of a student. There are various questions built especially for the purpose of finding out more about the student. An Assessment Test helps in getting an unbiased result. These test results are free of any personal prejudice one might have.

Advantages of Assessment Test

The advantages of Assessments include an in-depth understanding of the candidate, an objective recruitment process, reduced time-to-hire, improved ROI, and a greater chance of landing the best-fit candidate.

Assessment's standardization and objectivity help provide nearly accurate results when evaluating a candidate's fitment for the role. Different positions require different combinations of skills and personality traits.

Test Duration : 45 minutes (10:00am-06:00pm)

*Test Date : 26th December *

Mode of Test : Online

Eligibility : UG Students (Final Year & Pre Final Year)
