2. Purpose

There is also a need for sensitizing, updating and guiding the educators, researchers, students and all those engaged in inclusive development, knowledge and capacity building on the issue of sustainability and help to develop their disaster resilience. The primary purpose of this collaboration is to foster cooperation between PVGS and PPN College in the following areas:

- a. **Research and Development:** Collaborate on joint research projects related to climate change and disaster management and the application of Remote Sensing and GIS technologies in these fields.
- b. **Academic ProGramins:** Explore opportunities for joint academic programmes, workshops, and seminars in the areas of climate change adaptation, disaster management, and geospatial technologies.
- c. **Community Outreach:** Undertake joint community development projects aimed at raising awareness about climate resilience, disaster preparedness, and the use of geospatial tools for sustainable development.
- d. **Knowledge Sharing:** Facilitate the exchange of expertise, resources, and knowledge in the fields of wetland ecology, climate change mitigation and adaptation, disaster risk reduction, and the use of Remote Sensing and GIS for environmental and social applications.
- e. **Capacity Building:** Collaborate on training programs and capacity-building initiatives for students, researchers, and professionals interested in wetland management, climate resilience, disaster risk reduction, and geospatial technologies.
- f. **Publications and Dissemination:** Encourage joint publications, reports, and dissemination of research findings in reputed journals, conferences, and other relevant platforms.
- g. **Support Government:** Collectively support the Uttar Pradesh State Disaster Management Authority (UPSDMA) in policy-making, planning and capacity-building on Climate Change and Disaster Management issues.

3. Coordination

PVGS designates Dr. Raghavendra Singh as the Nodal Officer on behalf of PVGS, PVGS, to coordinate the activities under the purview of the MoU.
