Annual E-Governance Report 2022-2023

- **Website:** The website will act as an information Centre which will reflected about the college, all its activities, important notices, courses offered etc. The college strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released. Total budget approved this session for the maintenance of website 15000 Rs. And for the computer maintenance and internet charges 70,000 Rs and 50000 Rs respectively.
- **E-Library annual maintenance:** The concept of **E-Library Management Systems** has gained prominence due to the increasing digitization of educational resources. Budget approved for E-LMS was 25000Rs and executed of it.
- **Software AMC (Salary):** An AMC stands for **Annual Maintenance Contract**. It is a service agreement between a software vendor or service provider and a client. Under an AMC, the vendor provides ongoing support, maintenance, and updates for the software of salary. Total 6000Rs approved for it and executed for it.
- The online admission system gives applicants the best user experience by allowing them to access it via their favorite mobile devices or through a PC. For online admission and ID card total budget allotted this year 125000Rs.
- Colleges have large campuses with various buildings, parking lots, and open spaces. **CCTV cameras** help monitor these areas, ensuring the safety of students, staff, and visitors. They can cover entrances, exits, common areas, libraries, laboratories, and dormitories. This session management approved 1000000Rs for the installation of CCTV cameras.
- The eSSL Biometric system is used for maintaining attendance record of teaching and for non-teaching staffs. Finger-print of every staff is being recorded in the system for recognition during entry and exit time every day. At the end of the month, the details are printed and submitted to Principal for record. This session management approved 7000 Rs for the installation of Biometric machine.
