Green Campus Policy

The Environment Conservation and Cleanliness Committee was established in November, 2022 is currently under the able leadership of Prof. Nidhi Srivastava with three competent members: Mrs. Alka Rani, Dr. Neeraj Verma, Dr Manu Chauhan. The Committee aims to create the awareness among students and encourage them to incorporate more Environmentally sustainable habits in their lifestyle. The committee has disseminated awareness about conservation and cleanliness in the college as well as in the surrounding area through various competition, presentation, slogans, oath, exhibitions etc.

The committee is consistently motivating students to put in efforts to save our environment and protect our mother nature against ever so increasing global environmental problems. The committee has also started an ECO CLUB, by volunteering joining the students of the college to take some measures to conserve and clean the environment of the college as well as the surroundings. which has the following objectives:
